Private Equity – INTERNSHIP 2021

📍 Stockholm, Sweden

About EQT

EQT is a purpose-driven global investment organization with close to three decades of consistently strong investment performance across multiple geographies, sectors, and strategies. EQT has raised more than EUR 80bn of capital since inception and currently has more than EUR 50bn of assets under management. We invest in good companies across the globe with the objective to help them develop into great and more sustainable companies. We operate as an integrated investment platform with two core business segments – Private Capital (Private Equity, Growth, Ventures, Public Value) and Real Assets (Infrastructure, Real Estate) with more than 1,000 employees across 24 countries.

Our mission: With the best talent and network around the world, we apply a unique value creation approach and thematic investment strategy to future-proof companies, create superior returns and make a positive impact with everything we do.

Your Role

People are the key to our success, which is why we are consistently looking for strong additions to our team. During your internship, you would be part of our Private Equity team and be working on exciting new investment opportunities as well as our portfolio companies.

Responsibilities will include:

- Developing an investment thesis and investment case for prioritized opportunities
- Conducting due diligence to generate an in-depth understanding of the market and company
- Working with our existing portfolio companies to drive value creation
- Completing financial analyses and market research for business development projects

You can expect to work in an international team with an informal atmosphere and culture, gain experience through a broad range of transaction types, companies, and industries, and develop a unique skill set to pursue a career in an investment role.

Your Profile

Relevant attributes include ability to combine exceptional analytical and technical abilities, drive, and interpersonal skills. We are looking for a well-rounded individual with an investor mindset, whose values complement those of EQT. Relevant candidates are ideally in their final or penultimate year of education. While previous experience in management consulting, investment banking, private equity or asset management is a plus it is not mandatory - we look forward to receiving applications with a broad range of backgrounds and experiences. Fluency in English is mandatory.

How to Apply

Please send your cover letter and CV to lina.hagman@eqtpartners.com

Applications will be accepted until October 22 2021.

Expected Start Date: Negotiable

Duration: 10-12 weeks

We look forward to hearing from you!
